SECTOR PARTNERS

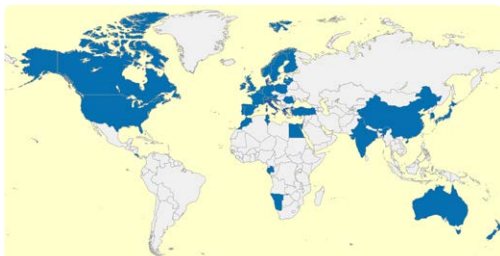

ORGANISER

The Expo

...in a nutshell

participating countries ■

Bio360 2026 is the global meeting point for all stakeholders from across the BioEnergy and BioEconomy communities focused on accelerating the biotransition, taking us from a fossil based economy to a renewable, circular economy.

450
exhibiting companies

6000
participants

10
country pavilions

40%
international exhibitors

5
continents

45
countries

45%
decision-makers

30%
managers

25%
employees

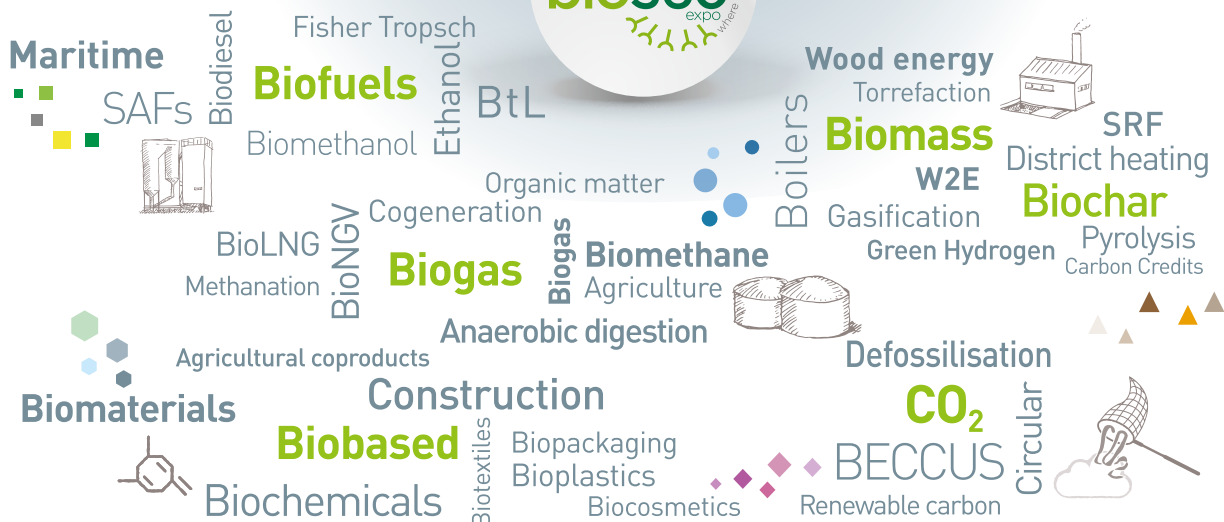

3
study tours

30
green commitments
(Reeve label level 1)

80
partners
(institutional, sector, media)

bring on the **biotransition!** it's **for good!**

The Conferences

6

tracks

250

speakers

55%

international

The conference sessions will each be in a single language, either English or French, according to the session.
