# The Expo

...in a nutshell

**Bio360 Expo is the global meeting point** for all stakeholders from across the BioEnergy and BioEconomy communities focused on accelerating the biotransition, taking us from a fossil based economy to a renewable, circular economy.

**450**  
exhibiting companies

**5000**  
participants

**10**  
country pavilions

**42%**  
international exhibitors

**5**  
continents

**45**  
countries

**42%**  
decision-makers

**30%**  
managers

**28%**  
employees

**3**  
study tours

**30**  
green commitments  
(Reeve label level 1)

**80**  
partners  
(institutional, sector, media)

bring on the **biotransition!** it's **for good!**

# The Conferences

6

tracks

200

speakers

55%

international

The conference sessions will each be in a single language, either English or French, according to the session.
