

CarboTech

The activated carbon people

THE ADVANTAGES ARE CLEAR!

Activated carbons for biogas desulfurization

Proven products: We have decade-long experience in the application of impregnated activated carbons for the desulfurization of gases. Our know-how finds itself in our products. Our products are applied in plants throughout Europe.

Assured quality “Made in Germany”: We activate and impregnate our products in our own plant and monitor carefully the production. Only an exact and sophisticated impregnation guarantees a stable performance which is continuously monitored in our laboratory.

Fair pricing: CarboTech stands for quality and will continue to be. We are continuously working to adapt our prices so that you can buy for the best price without compromising on the product characteristics.

Removal of siloxanes: There is also an equal demand for our basic activated carbons for the removal of siloxanes.

CarboTech is one of Europe's leading supplier of powdered, granulated and extruded activated carbons. The company operates integrated production plants for the manufacturing, processing and packaging of customised activated carbons, activated cokes and Carbon Molecular Sieves.

Quality: Since CarboTech works consistently with its customers interests at heart, our top priority is to constantly improve operational achievements. High demands of product and service quality go without saying for every employee.

Experience: CarboTech combines experiences from production, application and process engineering. From a strategic point of view, it has traditional requirements as much in its sights as it does innovative services. The commitment of experts with a precise knowledge of practical conditions is highly prized by our customers.

Cost-effectiveness: The use of our special activated carbon products makes permanently reliable and cost-effective solutions possible.

Furthermore we offer thorough and expert advice to all the aspects regarding the selection and application of our products.

We are looking forward to hearing from you.
